PHOTOGRAPH AND VIDEO RELEASE

The Janus School uses photographs and videos of our students in a variety of printed and online media, including viewbooks, e-newsletters, the school’s website, brochures, admissions materials, fundraising efforts, the school’s official social media outlets, and occasionally with local or national news media. In promoting the school, we sometimes use students’ names, images and samples of work. These might include photographs, video/audio recordings, quotations, student writing, and artwork. In all digital communications, students are, at most, identified only by first name and the first initial of their last name (e.g., John D.). *Full names are never used on digital publications, but may be used in print publications when appropriate.*

Additionally, photographs, video, and/or audio tapes of student performances and samples of student work intended for publication or display may be stored in the school archives and/or library for preservation.

This Media Release form requests your consent to use your student’s name, image, words, and/or work in school publications and for the archival purposes outlined above. Students whose families do not consent will be placed on a “Media Consent Denied” list.

This agreement covers only those official Janus publications that are intended for the general public. All students are presented in in-house publications such as classroom newsletters and online publications that are access restricted requiring a password.

Please choose an option below, sign, and return the form as soon as possible.

If this form is not returned, it will be regarded as “consent” by The Janus School. If you have questions or concerns, please contact the Development Office at 717-653-0025 x105.
